

God is Moving Among Muslims

Reaching Muslims

World Team uses everyday life events to build relationships within Muslim communities. Our desire is to share God's love through word and deed.

Our relational approach includes teaching English classes, computer and job skills training, youth programs, health awareness, sports and business coaching; all of which are aimed at bettering people's lives.

By meeting relevant needs, barriers are torn down and we have a unique opportunity to find common ground, form relationships and share the gospel message.

Building trusting relationships is vital for reaching across social and religious lines. Using a holistic approach with genuine care and concern can overcome many obstacles!

God is at Work!

One hundred years ago, 10% of the world was Islamic. Today, that number is 23% and growing. Approximately 80% of Muslims live outside the Middle East, opening opportunities to serve all over the world. Of the 3,505 Muslim people groups, 85% remain unreached by the gospel.

The good news is that God is at work! God can and does win Muslims. More Muslims have come to faith in the last few decades than in the past 1400 years!

There are opportunities to serve in traditionally Muslim communities in Asia and Africa, as well as among the diaspora moving to Europe, the islands and North America.

If you have a heart for reaching Muslim families and whole communities through word and deed, contact us today about joining a new or existing team!

World Team is engaging Muslim communities and introducing them to what it means to have a true relationship with Jesus Christ.

The truth is that God is moving among Muslims. Their hearts are being opened as they experience Jesus in dreams and visions, through Bible studies, and by meeting authentic Christians.

Our initiatives are bearing fruit! Muslims are putting their faith in Christ. New believers are discipled so that they are well grounded in the Word of God and can effectively lead other Muslims to faith in Christ.

Is God asking you to join this movement? What part will you play in sharing the love of Christ with Muslim peoples around the world?

Needed: Humble, servant hearts

A Place for You

There are still whole communities of Muslims where Jesus is not known. Most have never met a true follower of Jesus.

Reaching these communities will require people with humble, servant hearts. People who desire to invest deeply in the lives of people who need the hope that only Jesus can give.

World Team uses a holistic model in our disciple-making efforts. Workers utilize their training and education, as well as their relational and practical skills, to help meet needs within the communities they serve.

If you need training or have limited experience in Muslim ministry, World Team will provide coaching and training for our workers. Contact us to learn more!
