## What is this field/ministry?

Each World Team field has its own approach to doing ministry, but the desires are the same: introduce people to Jesus, disciple them, and release them into ministry. Visiting multiple mission fields will give you a taste for how in different countries a variety of strategies are used but the same Gospel is proclaimed. France is shaped by humanism, Italy by the Catholic Church, and Moldova by its communist past. Rather than seeing Europe as all the same, you'll see how different histories and cultures lead to different ways of doing ministry. The Gospel first came to this continent almost two thousand years ago, but Europe is in need of people and churches that can once again make known the Good News of God's love offered freely in Jesus.

## What is this trip?

Interns will begin in the 15th District of Paris. There you will learn about the spiritual climate of France, visit different church plants, and meet French pastors and church planters.

Interns will then travel to Milan, Italy and continue to assist with different ministries. You will also have the chance to connect with a local church plant and spend time with Italian believers. Finally, in Moldova interns will plan for & teach in an English camp which will help build relationships with local families and give opportunities to show the love of Christ.

## What will I do?

- Receive training and mentoring while participating in church planting
- Help run the annual Paris Prayer Connection
- Assist in organizing an English camp and do ministry among migrants in Milan, Italy
- Help plan and teach at an English camp in Moldova

## Eligibility

Candidates should be Christians with an interest in cross-cultural ministry and have at least one year of post-high school study. Qualities such as flexibility and humility are vital to cross-cultural life and ministry. You will need open eyes, a servant heart, and the courage to engage with people from cultures other than your own.
