What is this field/ministry?

World Team Philippines seeks to use innovative strategies for evangelism, discipleship, church planting, training national believers and sending workers into the harvest. It is our heart to see Filipinos empowered to serve locally, nationally and internationally. Churches are growing in the Philippines! However, many Filipinos remain unreached by the gospel of Jesus Christ. World Team workers from multiple nations and cultures work together creatively to share the truth and love of Christ in ways that preserve the integrity of the bible while also seeking to be culturally relevant to those we serve. Ministering in both rural and urban communities, our workers meet a variety of people and face a variety of challenges.

What is this trip?

Interns will serve with three different teams during their time in the Philippines. You will experience ministry across a wide variety of people from differing socio-economic backgrounds.

Work alongside experienced ex-pat & Filipino missionaries in both urban & rural contexts. Along the way, you will have the opportunity to learn from local people about their culture & beliefs, try new foods, & examine how your own culture impacts your faith. This allows interns to learn about and experience how community development and church planting work together in various settings.

What will I do?

- Partner in ongoing church planting efforts
- Help with outreach ministries in poor communities
- Assist with a local college ministry
- Engage with and encourage local Filipino believers

Eligibility

Candidates should be Christians with an interest in cross-cultural ministry and have at least one year of post-high school study. Qualities such as flexibility and humility are vital to cross-cultural life and ministry. You will need open eyes, a servant heart, and the courage to engage with people from cultures other than your own.
