

London

Serving Ethnic Minorities

London is the capital and largest city of both England and the United Kingdom. It is located along the River Thames in southeastern England.

It is one of the world's most important cities and is considered one of the most powerful, desirable, influential, innovative, and friendly cities in the world.

London has a diverse range of people and cultures —more than 300 languages are spoken in the region. Its estimated mid-2016 municipal population made it among the most populous cities in Europe and accounts for 13.4% of the UK population.

Unreached ethnic minorities abound in London. We praise God that he is working among these unreached peoples! What part is God asking you to play in sharing the love of Christ in this multicultural city?

Reaching the Unreached

Are you a flexible servant-leader who demonstrates solid Christian character? Do you have Bible training or equivalent life experience?

Come and be part of the work in our Community Centre in London! Use your skills and abilities to serve unreached people groups living among us in partnership with local churches.

By meeting felt needs such as teaching English, addressing education and social needs, providing computer training, developing youth and sports programs or offering business coaching, barriers can be torn down. We have a unique opportunity to find common ground, form relationships, and share the gospel message.

Building trusting relationships is vital for reaching across social and religious lines. Using a holistic approach with genuine care and concern can overcome many obstacles!

God is at Work!

In the past few decades, the migration of unreached peoples into the UK has been unprecedented. In 2011, World Team was gifted a Community Centre. The goal is to use this center for ministry, training, and outreach. We endeavor to provide the following:

- A local ministry site to reach ethnic minorities living in the neighborhood
- Training for workers from World Team and other agencies/churches
- An incarnational training and outreach opportunity in the greater London area

The Centre is located in East London in a strategic neighborhood. For the past few years, it has hosted homework clubs, outreach events, training events and served as office space.

Needed: Disciple Makers

A Place for You

There are still whole communities of people where Jesus is not known. Most have never met a true follower of Jesus.

Reaching these communities will require people with humble, servant hearts and people who desire to invest deeply in the lives of those who need the hope that only Jesus can give.

World Team uses a holistic model in our disciple-making efforts. Workers utilize their training and education, as well as their relational and practical skills, to help meet needs within the communities they serve.

If you need training or have limited experience in ministry, World Team will provide coaching and training for our workers. Contact us to learn more!

Next Steps

Do you have a passion for making disciples of people from different unreached countries and bringing them into communities that lead to a movement?

Does your compassion for people stir you to action?

Join a holistic church-planting team and help refugees, people seeking asylum, and others coming to the UK find joy and new life in Christ.

Pray with our new neighbors. Learn what their needs are and then use your innovative, creative heart and mind to develop relevant opportunities to meet individual and community needs.

Come, be part of the work in our Community Centre! Let God use you for his glory to reach unreached peoples in London and beyond!

Join the Team!

Ministry Overview

People	Ethnic Minorities
Language	English
Location	London, England
Opportunities	<ul style="list-style-type: none">• Evangelism and discipleship• Community development• Digital and Online Missions• Educators• Social Workers• Children and youth• Relationship building• Mercy and justice

God isn't challenged by learning languages or cultures; He is master of them all. He isn't confined to one place; He is ever present. He isn't affected by health, the economy, or a lack of understanding; He has no limitations.

David asked, "Where can I go from your Spirit? Where can I flee from your presence? If I go up to the heavens, you are there; if I make my bed in the depths, you are there." (Psalm 139:7-8)

It is in this spirit that we are pressing forward with the ministry in London among unreached ethnic minorities.
