An INN Internship will help you learn more about yourself while using your gifts and talents in an environment different from your own. Discover more about the world as you serve people from different cultures and world religions. While this internship takes place in the US, the work is still very cross-cultural. Expect to be immersed in new languages, foods, and practices.

What will I do?

- Gain valuable hands-on experience working in cross-cultural ministry
- Assist long-term church planters working among unreached diaspora communities in the US
- Care for the "sojourner" (Deuteronomy 10:18)
- Love and serve international neighbors through media, ESL, tutoring, children and youth activities, and more

What is this field/ministry?

The INN (International Neighborhood Network) envisions a world where the hope of Jesus is transforming communities among all peoples, starting with the nations in our backyard. Our passion is to see the gospel proclaimed in cities where there is little to no gospel witness among unreached people groups that have found refuge in the US. Join us as we create and implement innovative approaches to loving and serving our neighbors.

What is this trip?

We do not want you to be a spectator but rather a participant in the great commission happening among unreached diaspora in the US. There are countless ways to love and serve diaspora communities as they work to rebuild their homes and lives in the US.

Eligibility

Candidates should be Christians with an interest in cross-cultural ministry and have at least one year of post-high school study. Qualities such as flexibility and humility are vital to cross-cultural life and ministry. You will need open eyes, a servant heart, and the courage to engage with people from cultures other than your own.
