

HOW WE CAN PRAY

Let's ask God to help us figure out how to get people to help the many Cambodian people living in Thailand. There aren't any churches there that speak their language, Khmer. We need to find ways to share with them.

Let's say thank you that people in Central Asia, Taiwan, and Paraguay are talking about God. We hope these talks help them believe in Jesus.

Let's also ask God to help the leaders and teachers who are meeting in Europe. They are making plans to start new churches and teach more people next year. We want God to help them make good plans.

Issue 79: Cambodia

ASIA SPOTLIGHT CAMBODIA

First building constructed on this gifted land was a Prayer Hvt.

GOD'S PLANS, NOT OURS

Jim and Carolyn were praying to God, asking Him what He would like them to do. He had been blessing them by bringing more and more people to them and they wondered, "What could God have in mind?"

Because of all the new people joining them, they were running out of space and a training center was quietly on their hearts to not only help them grow but give them a safe place to stay.

The answer came by a mysterious donor who bought them a piece of land that they had been praying for as the new location for the new

training center! A wonderful church also paid the way for them to be able build the center. All of this was accomplished without Jim and Carolyn sharing their needs with others, but simply turning to God in prayer.

Jim and Carolyn were blown away and their faith was strengthened seeing God's work on their behalf. He was providing everything for His work in their little corner of Cambodia.

All of this made it clear to Jim and Carolyn that this was God's approval to use that land to build a Training Center to carry the needs of the new believers as well as volunteers that had joined them!

WHAT KINDS OF JOBS COULD I DO ON THE MISSION FIELD?

There are *many* types of jobs that are needed on the mission field and there are some that may surprise you!

Are you a creative person?

You can use the artistic gifts that God has given you on the field. How, you might ask? The arts can be used to bring a creative approach to reaching others for Jesus!

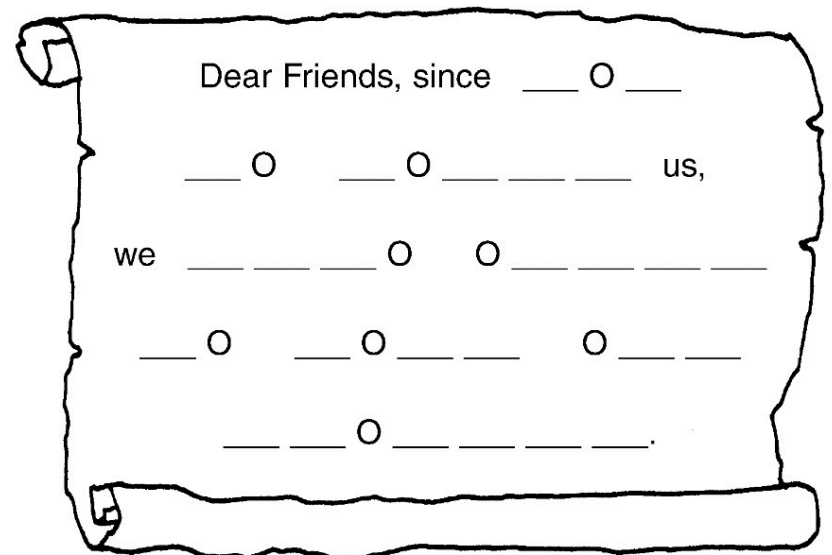

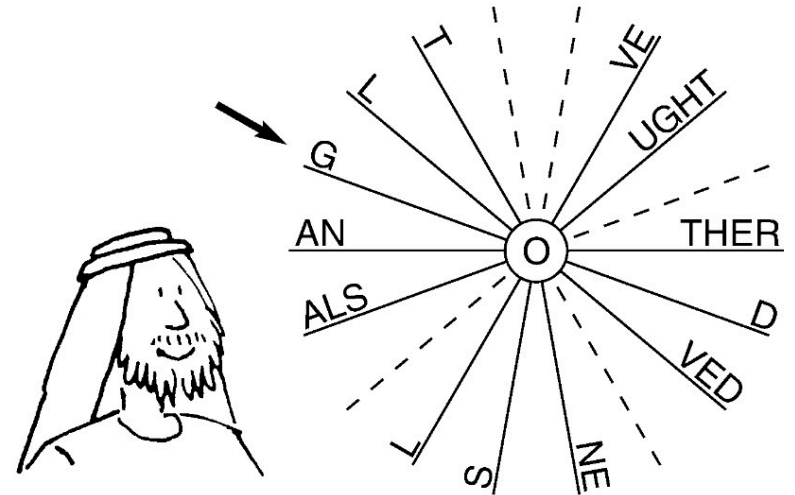

Do you have an interest in computers/technology?

Build websites, use mobile phones and radio for teaching and reaching others, train others and help other missionaries with your computer knowledge!

What talents has God given you?

GOD'S LOVE FOR US IS MEANT TO BE SHARED

Use the 9 words from the wheel to complete the verse.
All the words contain the letter O.
Follow the lines straight through the center O to build each word.

WHY DID GOD SEND HIS SON INTO THE WORLD?

Do you enjoy teaching others?

You can teach as a tutor! There are needs in many different countries where a young person needs extra help with their school work, as well as having a mentor and friend.

These are just a few of the different types of jobs YOU could do!

In his grace, God has given us different gifts for doing certain things well. So if God has given you the ability to prophesy, speak out with as much faith as God has given you. If your gift is serving others, serve them well. If you are a teacher, teach well. If your gift is to encourage others, be encouraging. If it is giving, give generously. If God has given you leadership ability, take the responsibility seriously. And if you have a gift for showing kindness to others, do it gladly.
